

Company

Sort MP3, Inc. was originally founded in 1994 and went a long way from the initial small one-man shop for data analyzing software to the file processing tools specialist, that it is today. In 1997 we changed our business focus on file processing software and development tools and introduced to the market:

Sort MP3

Sort MP3 version 1.0 released in 1997, was the first tool that could sort, rename and organize MP3 file collections with unlimited size, in one easy step. Combined with its straight-forward user interface and ease of use, the product became an immediate success. Today, Sort MP3 is one of the best selling and most popular MP3 file renaming tools world-wide. The introduction of - BlueTitanium based - Sort MP3 continues our mission to provide high quality MP3 file renaming tools, and expands our presence in the MP3 file sorters market. User-friendly wizards for MP3 file renaming, Automatic Renaming of MP3 files of all types, MP3 file renaming in the way you prefer (more than 475 ways to sort MP3 files) - It is all about Sort MP3, leading solution in MP3 file renaming industry.
